

Cultivating Statewide Leadership Initia

A photograph of a crowd of students at a school event. In the foreground, two young women are smiling and looking towards the camera. They are wearing blue t-shirts with 'ATHENS' printed on them. The woman on the left has orange and blue face paint on her face. The woman on the right has long, dark, curly hair. They are standing behind a metal railing. In the background, other students are visible, some wearing orange and black clothing. The overall atmosphere is festive and energetic.

NCHSAA Student Leaders

- Equipping student-athletes to thrive as mentors, role models, and trailblazers.
- Fostering enhancements in academic accomplishments, school attendance, graduation rates, and peer interactions among student-athletes.
- Instilling positive virtues, reverence, cooperation, and sportsmanship within student-athletes and the adults affiliated with athletic initiatives.
- Broadening the program's reach by providing impactful training programs to a diverse array of student-athletes and adults.

CAP 6 Conference Leadership Goal

CAP 6 Leadership Goal: Develop a sense of competitive sportsmanship while focusing on peer interactions among conference schools.

Conference Bylaw: Annual Leadership Conference

→ A conference school hosts a leadership conference for 4-5 student athletes from each school. The goal of the conference is to promote sportsmanship, develop leadership, and build conference pride going into each year.

SWAC Conference Leadership

SWAC Leadership Goal: To recognize exceptional student-athletes at each conference school via a scholarship program that will provide no less than \$500 per student-athlete at each conference school on an annual basis. Each school may create own selection process.

Conference Bylaw Language:

- Academic Success (GPA = 3.0 Unweighted or Higher)
- Leadership Qualities (Team Captain, Club President, Community Engagement, etc.)
- Athletic Success (All-Conference Designations, All-Region, All-State, etc.)
- A Quality Representative of The SWAC & School

Green Level Student Athlete Leadership Team

Athletic Department Mission Statement: Green Level Athletics is founded on the principles of inclusion, encouragement, self-fulfillment, accountability and a dedication to building a positive school culture. (Passive)

Implementation: Members of SALT volunteer weekly at a local elementary school, organize and host at least three community-based fundraisers every school year and participate in our state's "Adopt-A-Highway" program.

Implementation: Meet two times a month to plan various school activities and give feedback to the athletic department about various initiatives. Also, provide constructive feedback about areas for improvement within the department.

Green Level Student Athlete Leadership Team

Athletic Department Vision Statement: Green Level Athletics will be recognized for excellence by modeling sportsmanship, exhibiting leadership in the community and by providing an environment where student-athletes will fully develop their academic and athletic potential. (Passive)

Implementation: The Green Level Athletics Speaker Series brings in guest speakers on a quarterly basis to talk with current and returning student-athletes about leadership, nutrition, mental health, perseverance, etc.

Implementation: Emerald Gator Awards / Student-Athlete of The Week Awards / Gator Coins to recognize academic and athletic excellence.

Athens Drive Magnet High School Student Leadership Program

Athletic Department Mission Statement: The ADMHS Athletic Program strives to develop its athletes with a sense of leadership, respect, good work ethic, and sportsmanship to create an overall competitive and positive culture.

Implementation (School Wide): Athletic Department Leadership Day- Nominated student athletes , captains & program leaders, wanting to develop their skills and mindsets.

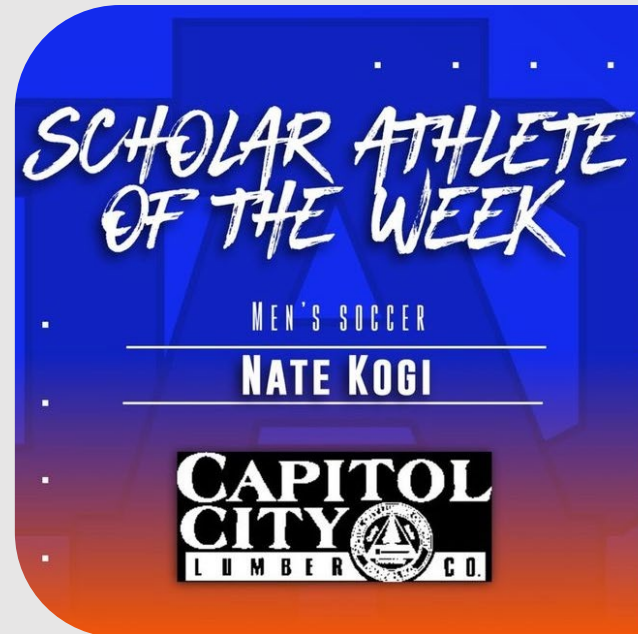

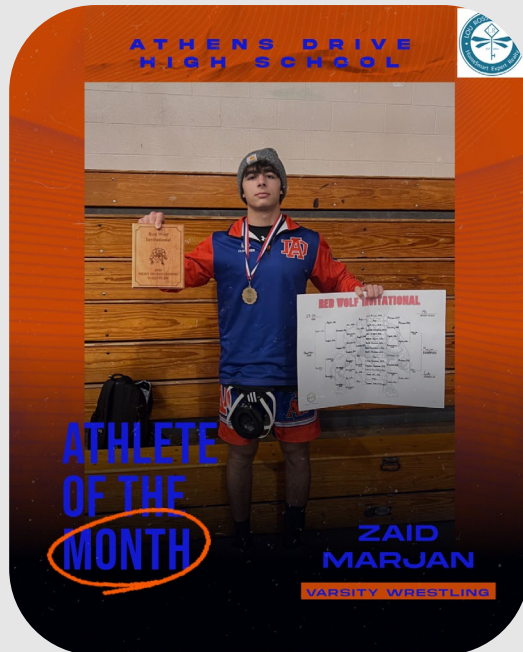

Implementation (School Wide): Freshman-specific leadership conference at the conclusion of each year to ready the next group of student leaders.

Athens Drive Magnet High School Student Leadership Program
