PHOENIX CONVENTION CENTER

NATIONAL ATHLETIC DIRECTORS SHOW

DEAR PROSPECTIVE EXHIBITORS:

The **57th National Athletic Directors Show** will be held on **December 13-14, 2026**, at the **Phoenix Convention Center in Phoenix, Arizona**. We are expecting more than 2,700 attendees from across the country to be part of this one-of-a-kind show exclusively for interscholastic athletic directors and administrators.

This show is held in conjunction with the **NFHS/NIAAA** National Athletic Directors Conference. The purpose of this conference is to provide educational tools for interscholastic athletic administrators. The conference provides state-of-the-art professional development programs to help our educators and athletic administrators, coordinators, supervisors, and liaisons enhance their career growth. As an exhibitor, your company helps make this happen.

Remember, at the only conference and show that is exclusive to the huge and growing interscholastic and activity marketplace, your company can reach the key purchasing decision-makers for high school and school system athletic departments. This is the place for companies to be with products and services related to all areas of athletics.

We have some wonderful opportunities for you, as an exhibitor, to put your company or organization directly in front of those who make all the purchasing decisions for their athletic departments. Additional sponsorship opportunities at the conference, along with the ever-popular passport program and special advertising insertions are outlined in this Prospectus. We can also customize additional opportunities for you.

Don't wait to sign up; we anticipate priority space will go fast, so register online today at www.ADConference.org.

WE LOOK FORWARD TO SEEING YOU IN PHOENIX, AND HELPING YOU REACH THOSE KEY DECISION-MAKERS IN INTERSCHOLASTIC ATHLETICS.

If you have any questions or concerns, please contact

Celia Budwig at the NFHS (cbudwig@NFHS.org)

CONFERENCE APP

For the 13th year, the NFHS and NIAAA are providing a conference app for attendees to download and use during the 57th National Athletic Directors Conference.

The app will be available through the App Store and Google Play, and is compatible for all devices.

What are the advantages of advertising through the app for your company?

- Opportunity to put your company's information in the palm of the athletic administrator's hand.
- Advertising directly to athletic administrators, the key decision-makers for interscholastic athletic programs, events, equipment needs and facility purchases.
- Visibility of your company to athletic administrators through sponsorship of promoted posts.
- Visibility of your company at the only conference and show that is exclusive to interscholastic athletic directors and administrators.

What does the promoted post include?

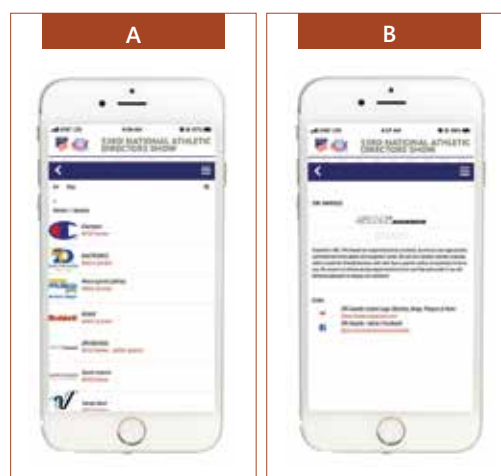

A promoted post (similar to those on Facebook) allows your message to appear pinned to the top of the activity feed for an allotted amount of time in the Conference App. The activity feed is similar to Facebook's "News Feed" in that it is a constantly updating list of stories on the home page. The activity feed will include event updates, photos, videos, links and more. This option allows your message to stay on the feed, instead of disappearing after the initial "push" that a push notification would provide. To participate, you will need to submit a 140-character message of your choosing.

What does the sponsor page include?

Your company logo, a link to your company's website, links to your company's social networks, a 250-character description of your company and a contact phone number.

What does the sponsor page look like?

Image A is what the attendee will see when clicking on the sponsor page icon. Once the attendee selects a company's sponsor page, **Image B** will appear as displayed and will provide the company's information.

PRICING:

Combo Post and Sponsor Page:	\$500
App Promoted Post:	\$300
App Sponsor Page:	\$250

HOW TO PURCHASE:

To purchase a sponsor page, promoted post or combo post & sponsor page, add the selection before check out.

Distribution to all those who will be present for the conference is recommended.

EXHIBITING POLICY

Exhibitors agree that the rules and regulations of the National Federation of State High School Associations (NFHS) and National Interscholastic Athletic Administrators Association (NIAAA) printed in this brochure are part of the contract and will be observed by the exhibitor's company and representatives and that only lines and merchandise acceptable to the NFHS/NIAAA will be exhibited. **Use of the NFHS/NIAAA name, logo or acronym for samples, marketing, advertising, etc., is strictly prohibited.**

Applications for exhibit space at future National Athletic Directors Shows may be declined if an exhibitor does not comply with all rules and regulations stated.

CHARACTER OF THE EXHIBIT

In keeping with the NFHS/NIAAA philosophy to provide the best possible atmosphere to discuss the equipment and services displayed, each exhibitor agrees as follows: To exhibit only products of their own manufacture or supply as indicated on the Exhibit Space/Application form. **Products must be displayed in a tasteful manner. In deference to fellow exhibitors and to the exhibit audience, exhibitors are specifically prohibited from operating noise-creating devices (i.e., bells, sirens, public address systems, etc.). Show management reserves the right to determine the acceptable sound level for working exhibits in the event of complaints from other exhibitors.** Dispensing or serving food or beverage is prohibited unless ordered from the Phoenix Convention Center with permission from the NFHS/NIAAA. Food and beverage sampling portions must not exceed two ounces. Absolutely no alcohol is allowed in the Exhibit Hall. Smoking is not permitted in the Exhibit Hall.

1. Contract for Space

Applicants for exhibit space are required to execute and forward an Application/Contract to the NFHS/NIAAA. To be valid, each application must be accompanied by payment in full and must specify the products or services scheduled for exhibition. Booth prices are variable (\$1,400-\$5,000) and are indicated in the key located with the floor plan.

2. Space Assignment

Booth selection will be done during the registration process. The NFHS/NIAAA reserves the right to alter the Exhibit Floor Plan or change space assignments at its discretion and/or the interest of any exhibitor. In such event, the exhibitors affected by the changes will be notified by the NFHS/NIAAA. **Exhibitors' representatives shall remain inside the confines of their exhibit space, not in the aisles. Exhibitors shall agree to oversee their booth(s) during the exhibit show until 11:30 a.m. on December 14, when the show closes.** Early teardown will not be permitted. Penalties may apply.

As a reminder, the booth placement is done at time of registration. NFHS Corporate Partners and NIAAA Corporate Sponsors are placed prior to the opening of registration.

3. Payment for Space

Payment in full is due with Application/Contract to validate space reservations. Deposits will not be accepted.

4. Cancellation

A refund of ninety percent (90%) will be granted for space canceled in writing within thirty (30) calendar days from the date of confirmation. Fifty percent (50%) of the deposit will be retained if space is canceled after 30 days from date of confirmation. However, no refunds will be issued for space canceled after November 1, 2026.

5. No Show

Any company that is contracted to exhibit must check-in on-site with NFHS/NIAAA show management by 9:00 a.m. on Sunday, December 13 or company will be considered a "no-show". Its space is subject to being released. No refund will be issued.

6. Subletting

No exhibitor may assign, sublet or apportion his or her space in whole or in part, nor exhibit any products or services other than those manufactured or handled in the normal course of its business, nor permit any agent or any exhibiting firm to solicit business in its space. If special circumstances warrant an exception, permission must be

obtained in writing from Show Management, who reserves the right to render final judgment with regard to the appropriateness of the request.

7. Exhibitor Kit

An exhibitor kit will be furnished to all participating exhibitors by the official conference decorator, Fern Exposition & Event Services, and will contain exhibit instructions and order forms for all booth accessories and services required. No exceptions will be made that interfere with the orderly function or security of the exposition, or with obligations or commitments of the NFHS/NIAAA. Exhibitors using ground or air freight carriers are requested to ship directly to the designated freight contractor in ample time prior to the exposition to allow effective and timely handling of materials.

8. Display Construction and Limitations

- Display and/or operation of any heavy equipment will be subject to the floor loading restrictions of the exhibit area.
- Drip and/or drop cloths are required when pouring or vending beverages, or preparing, operating or testing exhibit equipment to prevent lubricants, paints, fluids, etc., from staining the floor or causing a slippage hazard. All vehicles which produce or emit effluent and which must be operated for the purpose of an exhibit production or performance must adhere to operational recommendations of Show Management, in keeping with approval of the Arizona Fire Marshall's office. These materials should be secured nightly or when no longer in use.
- All exhibit-related utility connections (which includes electrical, audio, video, water, compressed air, telephone and data transmission) must be ordered through and supervised by Show Management or contractors authorized by Show Management. This includes any and all utility connections made which are not implicitly covered in the electrical or plumbing rate schedules.

12. Non-Liability

It is expressed, understood and agreed by each and every contracting exhibitor, his/her agents and his/her guests that neither the NFHS/NIAAA, nor its employees, nor its contractors, nor the Phoenix Convention Center, shall be liable for loss or damage to the goods or properties of exhibitors. At all times, such goods and properties remain in the sole possession and custody of the exhibitor. On submitting the Application/Contract, exhibitor releases and agrees to indemnify the NFHS/NIAAA and Phoenix Convention Center, its managers, officers, members, sponsors, employees and agents, and save them harmless from any suit or claim for property damage or personal injury by whomsoever sustained, including exhibitor and its agents or employees, on or about the exhibitor's

display space, including damage or injury resulting in whole or part from the alleged negligence of one or more of the aforementioned indemnities.

13. Insurance

Exhibitors and any independent contractors (See seven) they may employ must have comprehensive insurance. Neither NFHS/NIAAA nor the Phoenix Convention Center maintains insurance covering the Exhibitor's property. Although Show Management does engage an independent security service for the exhibition area and takes reasonable measures to protect exhibitor displays and materials, be advised that displays and materials, exhibiting firm, and insurance for any loss or damage should be carried on these items. National Athletic Directors Conference requires that all Exhibitors to carry Commercial General Liability Insurance with limits of at least \$1,000,000 per occurrence, \$2,000,000 aggregate. NFHS/NIAAA and the Phoenix Convention Center shall be named as Additional Insured. This insurance must be enforced during the lease dates and during any set-up and break-down by exhibitor of the event, December 12-14, 2026.

14. Suites, Hospitality Events or Functions

Suites or space for hospitality events or functions must be cleared through the NFHS/NIAAA. Hospitality events or functions are not permitted during exhibit hours or while any conference programs are in session.

15. Part of Contract

These rules and regulations constitute a bonafide part of the contract for space. Show Management reserves the right to render interpretations and decisions and to make such additional conditions, rules and regulations as deemed necessary to enhance the success of the conference and to decline or prohibit any exhibit which, in its judgment, is out of keeping with the character of the conference. This is all-inclusive as to persons, things printed matter, products and conduct. The NFHS/NIAAA reserves the right to reject any and all exhibit applications. **The NFHS/NIAAA may demand release of space at any time during the exhibit show for failure to conform to these rules and regulations.** Show Management's decision and interpretations shall be accepted as final in all cases.
